INFORMED CONSENT FOR TREATMENT

I have chosen to receive psychotherapy / counseling services. I understand that my choice has been voluntary and that I may terminate therapy at any time. I understand that there is no assurance that I will feel better, and that material may be discussed that may be upsetting in nature. I understand that psychotherapy / counseling is a collaborative effort between my therapist and myself. I understand that I have the right to be informed of the various steps and activities involved in receiving services. I will attempt to work with my therapist to develop and follow a plan of treatment. I also understand that I have the right to humane care and protection from harm, abuse, or neglect. I understand that I have the right to make an informed decision whether to accept or refuse treatment.

I understand that confidentiality of all records or information collected about me, and all information discussed in consultation and / or therapy sessions will be held in accordance with state and federal laws (42 CFT Prt 2) and cannot be released or disclosed without my written consent unless otherwise provided for in state and federal regulations. I understand that state and local laws require that my therapist report all cases of physical or sexual abuse of minors or the elderly. I understand that state and local laws require that my therapist report all cases in which there exists a clear danger to self or others.

I understand that George J. Joumas, M.A. will respond to written and phone request for medical records in a timely fashion. Request for release of records should include a signed written authorization of release identifying the individual and/or organization to which the records are released, and that confidential medical records are stored, accessed and released in accordance with Arizona state regulations (32-3211).

I understand that insurance companies require that my name and an identification number be place on every page of my medical record, and that a chart number (i.e..., JG1999125, initials date of intake) will be used rather than my insurance ID (social security number).

(Initial) I understand that my portion of therapeutic expenses (insurance co-pay or deductible) is due at the conclusion of each session, and that I am responsible for payments not made by my insurance (within the limits of my insurance contract). I understand that I will be charged a fee of \$35.00 for any check returned for [NSF] non-sufficient funds. I also understand that I will be responsible for my portion of balances and fees (collection fee of 50% of balance) for balances that have not been paid in 90 days and turned over to a collection agency, and subject to reporting to credit bureau. I also agree to give accurate and current billing information (i.e..., insurance and billing address) and understand that incorrect information may result in my account being turned over immediately to a collection agency.

(Initial) I understand that George J. Joumas, M.A. requires the minimum of a 24 hour notice if I will be unable to attend my appointment. I understand that if I no show for a scheduled appointment or fail to give minimum of a 24 hour notice, **I will be charged full fee for that session** (unless limited by my insurance). If I need to cancel with less than 24 hours, I will leave a message with the answering service and not on Mr. Joumas's voice mail. I also understand that George Joumas holds himself responsible and abides by this same no show / late cancellation policy. Mr. Joumas will reimburse you should he no show or late cancel an appointment, or offer you a free makeup session. I also understand that a pattern on my part, of no show or failure to give notice of cancellation, will be discussed with my therapist with regards to current motivation or appropriateness for treatment and may result in a therapeutic discharge and/or referral back to my insurance company. I also understand that there will be additional fees for reports (e.g. for purpose of disability, legal, court, etc.).

I understand that in the case of a *"If this is a life threatening or other emergency"* (as instructed on Mr. Joumas's voice mail) *"I will call 602-494-7110 and ask that I be contacted immediately. After normal office hours please call my service at 480-308-1513 and ask that I be contacted immediately. If they are not able to reach me immediately, please call your referring insurance or managed care company and ask for a Crisis Case Manager and / or call 911."* I understand that many insurance companies require me to call their Crisis Manager if I am unable to reach George Joumas immediately.

I have read and understand the above.
